among the legislative liaisons? Can discuss more today. Thanks —

Sure thing

Mon, Jan 29, 8:55 AM

Can you ping the liaisons to see where attendance is for this?

Will do

Yesterday 2:10 PM

Republicans are questioning Lee about the pipeline in committee

They've put him on the spot in front of the full committee.

He's doing well

Don't answer hypotheticals

Pull Lee out of building and bring back

Once Committee over. He did a great job
